

THIRTY-NINTH YEAR

BISMARCK, NORTH DAKOTA, FRIDAY, MARCH 25, 1921

PRICE FIVE CENTS

NEW MEMORIAL  
BUILDING BIDS  
WILL BE TAKENBoard of Administration to Seek  
Propositions During  
April.

## CAN'T COMPLETE JOB

Appropriation Not Sufficient  
—Work is now Go-  
ing On.

Bids will be taken during the latter part of April for the completion of the exterior of the Memorial building being constructed on the capitol grounds, it was said following a meeting of the board of administration today.

Although the legislature cut the appropriation asked for completing the building from \$200,000 to \$100,000 the board will proceed on the original plans. The building cannot be finished under the amount of money made available by the legislature, it is stated but the board will proceed on the assumption that the next legislature will give money to complete it. The original appropriation for the Memorial building, which will house the State Historical Society museum, Adjutant-General's office, Library and perhaps other offices, was \$200,000. A contract for building the structure to include the first floor was let last fall. The contract price being \$92,000. This work will be finished the latter part of next month by the Colwell-Long company, it is stated. The original plans call for a three story building with Bedford stone exterior and large columns at the front of the building. With approximately \$100,000 remaining from the original appropriation and \$100,000 added by the legislature this winter it is expected that the entire exterior of the building can be completed, part of the mechanical equipment, such as heating equipment, installed and perhaps some of the interior work. A large number of workmen are now employed in completing the Colwell-Long contract.

LEMKE TO ASK  
REHEARING ON  
GARNISHMENTAttorney General to Ask Su-  
preme Court to Reopen  
Case.

Attorney General Lemke was expected to file today a motion for rehearing in the case in which the supreme court decided that the Bank of North Dakota was not a branch of the state government and was liable to garnishment the same as any private institution.

The attorney general holds that the decision of the court is in conflict with the referendum vote by which the Bank of North Dakota and other industries were authorized and that the state was authorized to engage in business in its sovereign capacity and no other.

He says the court compared the state banks of the south, which were created as distinct and separate entities and corporations by the states, that the decision assumes that a department of state can be sued, and that the court failed to take into consideration an act exempting banks from garnishment and that there was a divided opinion of the court on vital issues.

GREEKS BATTLE  
TURKISH FORCE  
IN ASIA MINORPut More Than 120,000 Troops  
in Great Offensive  
Movement

Athens, March 25.—By the Associated Press—Greek troops numbering 120,000, are participating in the great offensive against the Turkish nationalist forces in Asia Minor, it is reported here.

GRANT COUNTY  
BANKS MEET  
STATE DEMAND

Fargo, N. D., Mar. 25.—Settlement of the garnishment proceedings brought by Grant county against the Bank of North Dakota has been effected, it was announced today.

Twelve hours after the settlement was effected by the county treasurer with a group of about fourteen examiners and collectors of the Bank of North Dakota, collectors made simultaneous demand on nearly every bank in the county for immediate payment to the state bank of every dollar owing to the bank. All banks were able to meet demands.

MASONS LAUNCH MOVEMENT  
FOR NEW INTERCITY SPIRIT  
THROUGH NEW ORGANIZATION

A movement for a new intercity spirit has been launched by Masons of Bismarck and Mandan.

Application has been made for dispensation for Twin City Council, Royal and Select Masters, a Masonic order, to be composed of Masons of Mandan and of Bismarck. Under the plan the officers and meetings will alternate between the two cities either at the inception of the council or when the bridge is completed.

FARM WORKERS  
MUST GET BUSY  
TO FIND JOBSBrisk Demand Now, But Not as  
Heavy as Last Year—  
Wages \$35 to \$50.

Four offices will be maintained in the state by the combined state and federal employment service, J. N. Hagan, commissioner of agriculture and labor, said today. They will be at Fargo, Grand Forks, Minot and Bismarck.

The employment service is now operating under the law enacted by the legislature during the winter. The federal appropriation for employment agencies expires in July but it is expected that Congress will consider the matter of making a new appropriation.

Mr. Hagan has appointed John Fletcher to take charge of the Minot office, for a period of seven months beginning April 1. He will cooperate with the county agent and the Farm Bureau.

STATE SCHOOL  
PATRONS KEEP  
SCHOOL GOINGMiss Nielson Praises Spirit  
Shown in Various Com-  
munities.

Praise for the school patrons of the state for coming to the financial support of schools in their communities, enabling them to keep open, during the last two months when school districts have been unable to get funds from the Bank of North Dakota, was voiced today by Miss Minnie J. Nielson, state superintendent of public instruction.

"A remarkable spirit for education has been shown," said Miss Nielson. "People have financed their schools by buying teachers salary warrants and meeting other necessary expenses. Many merchants have taken warrants when they could not well afford to do so. A great many schools would be closed were it not for the splendid financial support of the men and women of the state."

Educational rallies now being held in the state are highly successful, Miss Nielson said. Miss Nielson spent part of the last week in Kidder county holding meetings and Miss Bertha Palmer, assistant superintendent, is in Wells county. A series of meetings will be held in Hettinger county next week.

BURTON ASSAILS  
KANSAS COURTS  
ON MOB ACTION

Salina, Kan., Mar. 25.—"Would you go to hell to prosecute an imp with Satan presiding on the bench?"

Such was the interrogative reply made in an address here last night by former U. S. Senator J. R. Burton, one of the victims of a mob in Barton county recently, to Richard J. Hopkins, attorney general. He declared that the attorney general, the judge of the Barton county district and the county attorney there had all the evidence they need and charge they were endeavoring to force him to go back to Barton county in hostile territory.

WAITS 15 YEARS  
FOR DIVORCE

Leitch, N. D., March 25.—After waiting 15 years for decision in a divorce action, originally started in Ohio, and which has been in three courts, William Kincaid of Leitch, has just obtained a decree of divorce in district court at Mandan. A son, aged eight years when the action is now started, is now married. The defendant lives in Ohio.

Instituted and the first session held for initiation of candidates sometime in May.

All Masons of Bismarck and Mandan will be eligible for elevation to the Council here, but it passed out of existence and it now is necessary for one wishing to take the Council degrees to go to another city.

Officers chosen for the initiation of the Council in addition are Judge Christianson, Illustrious Master; E. A. Ripley, Deputy Master; J. H. Grassham, Principal Conductor; G. H. Russ, Treasurer; E. M. Bergeson, Recorder. A number of appointive officers will be filled by Bismarck and Mandan men.

Mandan Masons are now seriously considering the erection of a new Masonic temple.

COUNTY AGENT  
TURNS TURTLE

Linton, March 25.—H. O. Sauer, county agent, recovering from injuries received when an automobile in which he was riding turned turtle last Saturday four miles north of Linton. Elmer Anderson was driving. They were returning from a breeder's meeting at Hazelton. The roads were slippery.

WEHE RELIEVED  
OF NEW HEARING  
BY COURT ORDERJudge Nuesse Issues Writ in  
Matter Prohibiting Satur-  
day Hearing.

Governor Frazier is prohibited, by a writ issued by District Judge W. A. Nuesse, from holding the hearing on charges against L. J. Wehe, for removal as a member of the Workmen's Compensation Board, disposal of proceedings in the case.

The removal hearing was set for 10 a. m. Saturday, March 26, in the Governor's office.

The writ directs the Governor to show cause on April 5 why the order should not be made permanent. The writ was issued on petition of Wehe, through his attorney Theodore Koloff. The Wehe case has taken many peculiar turns. Following a supreme court order of two weeks ago restoring Wehe to office he made a demand on C. M. C. Spencer, now commissioner, for the place. Wehe was served with notice that the order of suspension of April 19, 1920 was still in effect and a new hearing would be given him tomorrow, following the supreme court order.

Wehe, in his petition before Judge Nuesse, emphasized these allegations:

That the order of suspension "has been held void and set aside both by this court (district court) and supreme court and the Governor has no power to revive and continue in full force and effect his order of April 19, 1920."

That the whole proceedings of March 17, 1921 ordering the hearing are illegal and void and that the Governor has assumed an excess of jurisdiction in attempting to revive and enforce the attempted proceedings.

That the Governor has no right to suspend a member of the Workmen's Compensation Board.

That Wehe is now entitled to hold office under a legislative extension of term of office until 1923 and that the Governor's appointment under which attempted removal proceedings were undertaken has expired.

NORTHERN OIL  
RUSH FOLLOWS  
IMMENSE FINDSImmense Camp Being Formed  
Awaiting Opening of Spring  
Traffic

Fairbanks, Alaska, March 25.—Daniel Cadzow, factor of Rampart House, one of the northernmost posts of the Hudson Bay company, here today said mounted police patrols returning from their annual mail trip from Fort McPherson and McKenzie river districts, declared an immense camp is being formed in the Fort Norman oil field with hundreds already en route and others awaiting the opening of spring traffic.

The Fort Norman field, Cadzow said, is 300 miles long and 200 miles wide, along the McKenzie river. One well sunk by the Imperial Oil Company has produced 1,000 barrels an hour at 800 feet, according to Cadzow, and arrangements are being made to pipe the oil to the nearest navigable stream. The Canadian government has two airships for communication with the oil fields.

GREEKS ADVANCE  
ON THE TURKS

Constantinople, Mar. 25.—An advance of about 20 miles was made by the Greek forces in the first day of their campaign against the Turks.

LANSING TELLS  
"INSIDE STORY"  
OF PEACE DEALCame Near to Open Break  
with Wilson Over  
Shantung.

## WILSON IGNORED SENATE?

Former Secretary Says Presi-  
dent Wanted to Put League  
in Immediate Operation.

Boston, March 25.—Robert Lansing, former secretary of state and member of the American Peace Commission, will reveal in his forthcoming book on "The Peace Negotiations," which will be published by Houghton, Mifflin Company, March 25, how close he came to resigning from the Commission because of differences with President Wilson over the Shantung decision and his belief that many of the terms of peace imposed on Germany were harsh, humiliating and seemingly impossible of performance.

The publishers of this book, which has been eagerly awaited by historians and the public, have carefully guarded the text of the manuscript but they have permitted the general trend of Mr. Lansing's argument to become known. It is expected that when the text is printed many of the opinions expressed by Mr. Lansing will be controverted by other writers.

Sought to Ignore Senate.  
President Wilson, according to Mr. Lansing's belief, at one time during the Peace Conference purposed to negotiate a preliminary treaty which would start the League of Nations functioning without laying the document before the United States senate, and evidently was much perturbed when his secretary of state told him that the only way to change the status from war to peace, was by a ratified treaty or a joint resolution of Congress.

A profound conviction that immediate peace was the primary need of the world, Mr. Lansing implies, was all that kept him from resigning from the Peace Commission because of fundamental disagreements with the president on principles. The former secretary discloses that in 1916, shortly before a meeting in Washington of the League to Enforce Peace at which the president was to speak, Mr. Lansing wrote to Mr. Wilson objecting to the use of force to settle international disputes. In this letter he pointed to the Monroe Doctrine as contained in such a plan.

Alarmed at the complications of war and foreign entanglements in the guarantee of territorial integrity and political independence of members of the League, a guarantee that finally was embodied in Article X of the Covenant, Mr. Lansing says that at Paris he tried to have substituted a negative pledge that the members would not infringe upon each other's territorial integrity or political independence. He became convinced that Colonel Edward M. House, then President Wilson's closest adviser, was completely converted with regard to this question.

Called It Blackmail.  
It is in relation to Shantung Mr. Lansing discloses the sharpest differences between himself and President Wilson. Mr. Lansing gives his opinion that blackmail and bluff by Japan impelled the president to agree to surrender to that country such rights in Shantung as before the war were held by Germany and automatically annulled when China declared hostilities. In his opinion only secret diplomacy made it possible for Japan to threaten to leave the Peace Conference unless its demands were granted, a threat Mr. Lansing believed would not have been executed because of the appreciation by Japan that the benefits of a new and powerful world position could be retained only by membership in the League of Nations.

That other members of the American Commission shared his view that the Shantung decision as rendered by the Council of Four was a flagrant wrong and were prevented from resigning only by the critical conditions in the world situation is clearly implied by Mr. Lansing. He describes the indignation felt by himself and by Henry White and General Tasker H. Bliss and in this connection publishes the letter written by General Bliss to the president, in which Mr. Lansing and Mr. White concurred, stating that to support the Japanese claim would be to abandon Chinese democracy to domination of Japan's Prussianized militarism.

Balance of Power.  
It was impossible, in Mr. Lansing's opinion, to make the League of Nations' Covenant the greatest international compact ever written, as was intended in the 11 days given to the drafting. This is established by the document itself, he says, which provides for an oligarchy of the Great Powers and a continuance of the policy of the balance of power against which the president spoke in England but which he in effect subscribed to in approving the Covenant.

Relating the difficulties and embarrassments to which three of the American Commissioners were subjected by failure of the president to hold a single conference with the American Commission on the League of Nations from its first meeting until its report was printed, Mr. Lansing says the office force of Colonel House knew more about the proceedings than the three American Commissioners who were not present. Additional difficulties were caused by lack of an American program, the fourteen points of the president being entirely insufficient for such a purpose. Mr. Lansing found the president indisposed to consider the subject of having a

5 BALLONISTS  
DRIFTING OUT  
IN THE OCEANRescue by Gulf Vessel Held  
Only Hope for the Miss-  
ing Men.

## BALLAST IS ALL GONE

Carrier Pigeons Bring Last  
Word of Plight of Missing  
Aeronauts.

Pensacola, Fla., Mar. 25.—Naval authorities have expressed the belief today that the only hope for the safety of Chief Quartermaster G. W. Wilkinson and four student pilots missing from the naval air station here since they took the air in a free balloon Tuesday night is that some vessel in the Gulf of Mexico may have rescued them.

Scores of naval, air and surface craft today took up anew the search for the balloon which was yesterday reported off St. Andrews bay, drifting toward the open sea and only about a 100 feet above the water. Two messages brought in by carrier pigeons told the plight of the balloonists. The last said all the ballast had been thrown overboard but at that time the big gas bag was slowly sinking.

BUREAU STARTS  
SUITS AGAINST  
5 COMPANIESWorkmen's Compensation Bu-  
reau Asks Payment of  
Premiums.

The Workmen's Compensation bureau has begun suit against a number of corporations in and near Bismarck to collect premiums due the bureau. The filing of the suits may lead to the decision of important questions relative to the operation and powers of the bureau by the courts.

The bureau asks \$2,833.19 of the Hughes Electric company for premiums alleged to be due for a period of twelve months; \$144.15 from the Hebron Electric light company, \$980.61 from the High Carbon Light Mfg. Co., of Werner; \$357.60 of the Bismarck Gas company and \$1,388.56 of the Hughes and Deiters Electric company of Dickinson.

Suit for \$500 penalty alleged due for failure to furnish information to the bureau is asked of the Northwest Bell Telephone company.

FORWARD SEED  
LOAN BLANKS TO  
COUNTRY BANKSDeputy County Auditor Receives  
Notice to Limit Loans

Blanks on which applications may be made for government seed and feed loans have been received by Deputy County Auditor Frank Johnson and sent to the various banks of the county. Mr. Johnson is out of blanks in his own office, but has ordered an additional supply from Fargo. Mr. Johnson today received the following telegram from C. W. Warrenton, in charge of government headquarters at Fargo:

Government seed loans can be made only for purchase of seed and not for feed or supplies. Those who did not have crop failure in 1920 cannot qualify. Applicants who get seed are subject to penalties for misrepresentation. Keep individual applications down to lowest amount possible. Limit applications to those who cannot put in crop without government help.

PROCTER SUES  
WOOD MANAGER

Chicago, March 25.—Col. William Procter, manager of Major General Leonard Wood's campaign for the Republican presidential nomination and contributor of \$500,000 to the campaign expenses, today filed suit to recover \$110,000 from Major Sprague, of Chicago, treasurer of the campaign.

BASEBALL GRANDSTAND WILL  
BE MOVED SATURDAY; FANS  
ASKED TO JOIN "MOVING BEE"

The baseball season opens here tomorrow. Or rather, baseball moving day.

The grandstand and fence will be moved from the capitol baseball park to the new location south of the railroad tracks, west of the International Harvester Company.

Moving time is 1 p. m. Saturday. And this is what the fans' committee wants the fans to do:

To move the grandstand and fence at the least possible expense the committee wants the help of a thousand baseball fans and fifty auto trucks.

To be on the grounds promptly at 1 p. m. so that all of the work can be done in the shortest possible time.

To accept as compensation "the everlasting gratitude of the fans' committee."

The idea of a "moving bee" originated when the organization of the base-

FORD AND FORMER  
EMPLOYEES

Henry Ford and five of his former employees. At top, F. L. Klingensmith (left) and C. Harold Willis. Below, the late John Dodge (left), John Lee, (center) and the late Horace Dodge.

## "FINDS" QUIT FORD.

Former Associates Now Competitors  
in Industry.

Detroit, March 25.—Three auto manufacturing concerns are operating under the name and direction of men who helped build up Henry Ford's business.

Ford has great factories, a great organization and great wealth, but the men most closely associated with him in gaining it all are no longer of his institution.

First to quit Ford were the late Dodge brothers, Horace and John. In 1902 they started to manufacture parts for the struggling Ford concern and received stock in payment.

In 1919 they sold their holdings back to Ford for \$25,000,000.

After they left Ford they established a factory that makes one of the country's most successful cars. Both brothers died at the pinnacle of success.

C. Harold Willis was Ford's next find. He was a mechanical and metallurgical wizard and is credited with the organization work which brought the Ford output to a million cars a year.

Willis was chief engineer for Ford from 1903 to 1915.

He now has organized C. H. Willis & Co. and will manufacture the Willis-Cole auto.

Willis took his first vice president, John Randolph Lee, organizer of the sociological department of the Ford Co.

Frank L. Klingensmith was drawing \$4 a minute when he quit Ford early this year. He was vice president and treasurer of the Ford company.

He immediately organized the Gray Motor Corporation and plans to manufacture autos.

HARDING FOR  
FARMER TARIFF

Washington, Mar. 25.—President Harding favors passage of a brief, concise emergency tariff bill applicable only to a small number of farm products.

## DEAD RATS BY MAIL.

New York, March 25.—Port, Vice Is cleaner than it has been in eight years, report Presbyterian secretaries returning here. The reason: Fear of the bubonic plague. All dead rats are examined for plague germs. Some are sent to the health office through the mail.

The baseball season opens here tomorrow. Or rather, baseball moving day.

The grandstand and fence will be moved from the capitol baseball park to the new location south of the railroad tracks, west of the International Harvester Company.

Moving time is 1 p. m. Saturday. And this is what the fans' committee wants the fans to do:

To move the grandstand and fence at the least possible expense the committee wants the help of a thousand baseball fans and fifty auto trucks.

To be on the grounds promptly at 1 p. m. so that all of the work can be done in the shortest possible time.

To accept as compensation "the everlasting gratitude of the fans' committee."

The idea of a "moving bee" originated when the organization of the base-

BEATEN, CLAIMReports From Various Parts of  
Empire Indicating Strain  
Lessens.

## FIGHTING IN EISELEBEN

Street Battle Described by Cor-  
respondent Who is in  
Midst of City.

Berlin, Mar. 25.—(By the Associated Press.)—Belief was expressed in government circles today that unless the Communists succeed in tying up mid-German industrial area in strike the government will be able to cope with the rioting prevailing in Eislaben, Mansfeld, Hettstedt and Lennep.

London, March 25.—Although the situation arising from the Communist outbreaks in Germany is still dangerous the Communists are being overcome by the forces of law and order, according to reports from the different centers, says a Central News dispatch from Berlin today.

Peasants Gaining.  
Eisleben, Germany, Mar. 25.—3:30 A. M. by the Associated Press.

Fighting between the Communists and security police for possession of Eisleben had extended this morning to a half-mile from the western section of the town with the positions of advantage changing hands from moment to moment.

The Communist army of 2,500 was being reinforced by peasants and villagers coming into town by unknown roads on foot and on bicycles. They carried army guns in the hope of surrounding the 2,000 security police and destroying them.

Rifles, machine guns, grenades and dynamite which were heard continuously throughout the night had become a continuous rumble, resembling drum fire. From the post-and-rail buildings the combat was visible and above the road of firing could be heard calls of encouragement to both sides and the cries of the wounded lying where they fell.

DEScribes FIGHTING  
Eisleben, Germany, March 25.—7:30 p. m. by the Associated Press.—The street fighting as a result of the Communist outbreaks which has been in progress for the last 48 hours in this important copper mining town of Saxony was continuing desperately tonight with a hand-to-hand combat at the railroad station in the streets in the center of the city.

The battle of machine gun fire, the crash of hand grenades explosions and the popping of rifles has been going on steadily for the last three hours. Two thousand police were holding the town half of the town while 2,500 workmen were in possession of the western section. All the workers are heavily armed and well disciplined.

Station Changes Hands  
The intensity of the fighting may be judged from the fact that the railroad station changed hands twice in the 20 minute preceding the filing of this dispatch. The police now are in possession of the station.

Bodies of the dead and severely wounded were still lying tonight in the streets where the victims fell twenty hours ago. The less severely wounded were crowded in sheltered doorways with bullets raising puffs of dust about them.

At least 20 were killed and 50 wounded in the fighting today.

Autoists Stay Out  
Railroad and telephone communication with Eisleben have been cut off. No automobilists willing to enter the city could be found and the correspondent came here on foot.

The telephone office was found in the hands of the police, who consented to transmit this report of the fighting, the sending of the message proceeding while machine guns raked the adjacent street and the people lying nearby were huddled in their darkened houses, peering through the blinds. All the roads leading to the towns are under fire.

The fighting at this hour appeared to be growing in intensity.

## 30 SAID KILLED.

Hamburg, Mar. 25.—Not less than 30 persons were killed in riots here Wednesday.

BAD HIGHWAYS.  
PROVE HANDICAP  
TO RUM RUNNERS

Muddy roads and snow in the northern part of the state are causing collectors a lot of trouble, according to Sheriff Rollin Welch, who, with Harry Dunbar, of the state license department, and others, has been traveling north of the city in search of rum runners.

The most exciting chase the party had was Monday night when they captured two runners after a 70-mile drive over bad roads at a 75-mile rate of speed. One rum runner's car escaped.

Sheriff Welch has blood poisoning in his hand, not the result of a battle with bootleggers but from cutting his wrist on the car while a chase was going on.

Frank Kuntz of Bismarck, was to appear before Police Magistrate Plannan today on a charge of selling intoxicating liquor. The affidavit was signed by Arthur Diamond.

## GOODS ARRIVED IN TIME FOR EASTER

## OUR SPRING OPENING SALE

We have just returned from our Spring Buying trip. While in the East we bought very heavy, for the prices quoted us, we could not help from buying, and we grabbed up a big stock. There is no let up to the goods arriving each day, and there will be no let up with the low prices we have put on goods for our Spring Opening

Sale We are more than pleased that these goods arrived in time for Easter, as we want to see the many satisfied customers who buy from us take advantage of this Money Saving Sale.  
SALE STARTS FRIDAY, MARCH 25th AND ENDS THURSDAY, MARCH 31st

This Year Than Formerly

The Commercial club's membership during the ensuing year will be close to 200.

With the campaign instituted this week by the club with 22 men working under the direction of Henry Duemeland, nearly complete a membership beyond any previous enrollment of the club was assured.

The solicitation of funds and memberships was highly successful, Mr. Duemeland said. In spite of the increased apportionment made for plural memberships. One team, which was not able to go out Tuesday, was out today making the territory assigned to it.

The Open Forum dinners of the club, which have proved popular, will be continued and an effort to draw all club members into the discussions of policies of the organization for the advancement of the city continued.

FARMERS PLAN  
FULL CROP IN  
BOWMAN COUNTY

Obert Olson Says He Finds Optimism in Southwestern Part of State

Farmers in the southwestern part of the state are optimistic, declares Obert Olson, who returned today from

FARMERS  
TRAPPERS  
DON'T SELL HIDES AND FURS ON  
THE PREVAILING MARKET

Use them to a good advantage instead of sacrificing them at the present low prices. Let us tan them into fur sets, robes, coats or leather. Send for free price list and tags. If you prefer selling, we always pay the highest market price.  
THE BISMARCK HIDE & FUR CO.

Bowman county, where he arranged for putting out a full crop on his land there.

A large number of farmers have most of their grain left, and are selling it in small lots, he said. Most of them have seed, and the mild weather of the winter has been a wonderful help to those raising cattle. A heavy rain preceded the snow of last week, he said, putting a great deal of moisture in the ground.  
Many cattle raisers in the southwest

ern part of the state who have been raising beef cattle are going heavily into the dairying business, he said and are making money. One man, he said, made more than \$100 off of each cow on his place during the last year.

PLEAD GUILTY  
TO CHARGE

Dickinson, N. D., March 24.—A. J. Gauthier of Belfield, pleading guilty

to selling intoxicating liquor was sentenced six months in jail, and fined \$200 and costs. Mike Chorney, also of Belfield, pleading guilty to manufacturing liquor was given a similar sentence. The court suspended the jail sentence upon payment of the fine and costs in each case.  
Fred Sibley of Dickinson, has been bound over to district court on the charges of bootlegging and of transporting liquor. He is out under bonds.

FROM THE BENEDICTINE SISTERS.  
Coughs and colds are infectious, and prompt measures should be taken to stop the coughing and spreading of germs. The following letter from the

Benedictine Sisters, Holy Name Convent, San Antonio, Fla., is of value to every mother. "We have just received shipment of Foley's Honey and Tar. It is a household remedy. We have

used it since we knew of it, for our children especially, and always found it beneficial."

TRIBUNE WANTS—FOR RESULTS

New Style Notes in  
Young Men's  
Suits

There are upwards of forty different young men's suit models here this Spring and each one presents some new and attractive style feature.

That is what makes it rather difficult for us to go into detailed description of the fashion departures.

We prefer to show you than to tell you.

We prefer to have you see for yourself the one best suited to your figure and fancy.

You're sure to find one you like at a price decidedly likeable.

## NORTH DAKOTA FARMERS WILL CONSIDER POOL

Delegation to go to Chicago  
Where Committee of 17  
Will Meet.

Fargo, N. D., March 25.—Decision to send North Dakota's six farmer delegates unfrustrated to the Chicago conference April 5, at which the grain marketing system of the Committee of 17 will be either ratified or rejected by the farmers of the nation was made at the meeting of 200 farmers in Fargo called by the North Dakota Farm Bureau Federation. North Dakota will have six of the 120 farmer delegates at the Chicago convention.

This verdict was reached after a stormy session yesterday afternoon in which opposition to the Committee of 17 developed among the supporters of the National Wheat Growers association, headed by George Duls of Grand Forks, head of the state branch of the wheat growers association. Mr. Duls and his followers contended that the grain marketing contract of the wheat growers is superior to that of the Committee of 17, in that it provides for the actual pooling of all wheat.

**Work For Harmony**  
Resolutions adopted at the close of the conference, however, reminded the North Dakota delegates that the object of the Chicago convention would be to obtain harmony between the backers of the Committee of 17 and the wheat growers association. It was the sentiment of a large majority at yesterday's meeting that the tentative plan of the Committee of 17, should be ratified at the Chicago convention.

**Delegates Are Named**  
Delegates to the Chicago convention were selected yesterday as follows: Usher L. Budick, Williams county; Farm Bureau; C. B. Heinemann, Mercer county; Farm Bureau; Howard B. Wood, Cass county; Equity; Senator B. F. Baker, Renneville county; Equity; Harrison Garrett, Pembina county; Wheat Growers; H. L. Finke, Ward county; Grange.

## WANT BAN ON IMPORTS

Grand Forks, N. D., March 24.—At a meeting of the North Dakota Wheat Growers' association, held here, resolutions were adopted urging President Harding to aid in establishing an embargo on wheat imports into this country and to influence the war finance committee to function at an early date to aid in furthering export business in grains with foreign countries.

George E. Duls of Grand Forks, elected president of the state organization declared that immediate action must be taken to protect the wheat growers as "40 million bushels of wheat are now in storage in Port Arthur, awaiting the opening of navigation."

## MARKETS

**NO GRAIN MARKETS.**  
The grain exchanges in the principal cities were closed Good Friday.

**MINNEAPOLIS FLOUR.**  
Minneapolis, Mar. 25.—Flour unchanged to 30c higher. In carload lots, \$8.65 to \$9.15 a barrel. Bran, \$20 to \$22.

**CHICAGO LIVESTOCK.**  
Chicago, Mar. 25. Cattle receipts, 4,400. Bulk beef steers, \$8.50 to \$9.50.

Hog receipts, 15,000. Slow, very uneven, mostly steady.  
Sheep receipts, 7,000. Steady to 25 cents higher.

**ST. PAUL LIVESTOCK.**  
South St. Paul Livestock, Mar. 25.  
Hog receipts 4,500, steady.  
Range, \$7.50 to \$10.60.  
Bulk, \$9 to \$10.25.  
Cattle receipts, 1,800, extremely dull killers, mostly steady.  
Beef steers, quotable to \$9.50, no good here today, bulk common steers, \$8.75 to \$9.  
Butcher cows and heifers, \$6.25 to \$6.50, choice heifers to \$8.25.  
Calves steady, top \$10.00.  
Stockers and feeders, tender, low or market quiet.  
Sheep receipts, 100, nominally.

Nothing so fascinating as veiled beauty, and beauty's charms are at their best behind the meshes of a smart veil. Our Easter showing is complete with all the latest novelties.

## Silk Underwear

To complete your Easter Outfit a good supply of Silk Underwear is almost a necessity. The cost in the long run is not higher than other undergarments for they give such wonderful service and are much daintier too. The new low prices are in effect.

## Smart Easter Footwear

If it is a smart new oxford or the latest thing in a pump or slipper you will find a style to satisfy you here in a complete showing of the season's most attractive modes in footwear. The prices range from \$7.50 to \$12.50

## Corsets

Correct Modes for Spring. Don't make the mistake of having your Easter costume fitted over your old corset. Buy a new one and be sure of a satisfactory fit. Our corsetiers will take pleasure in helping you choose the model best suited to your figure requirements.

## TWO CITY HOMES RECENTLY SOLD

Two pretty homes have been purchased this week, indicating brisk

season opening for town property. The cozy little Cushing bungalow on First street has been purchased by R. W. Sanders. They expect to move into their new home from those apartments some time this spring.

The imposing colonial residence owned by S. D. Cook at Riverview has recently been purchased by Otto Johnson, and the family will occupy the residence at once. This is one of the beautiful home places at Riverview, set, as it is, in spacious grounds, and overlooking the Missouri. Transactions are pending whereby other transfers are to be completed shortly.

## New Corporations

Articles of Incorporation filed with the Secretary of State include: Sandager-Gelsler company, Lisbon, general department store; capital, stock \$25,000; officers Helen Gelsler, Curle Sandager, Alarold Sandager, Mabel Gelsler.

Antelope Valley Investment Company, Floral, general investment business; capital stock \$75,000; incorporators Paul J. Moon, Siri Moon, Anna Moon.

Crary Turner Agency Inc Fargo; insurance stock sales, etc.; capital stock, \$30,000; incorporators, A. W. Cary Carl H. Stoudt Gertrude Crary.

## 'Twas Real Hen Party.

Braman, Okla., March 25.—Church members came in the evening with well-filled baskets for a big spread for Rev. M. F. Kelly. Next morning Kelly discovered that his parishioners had also filled his henhouse with full-grown chickens.

## WILL PRAISE IT AS LONG AS SHE SURVIVES

Mrs. Salader After Taking Tanlac Eats and Sleeps Better Than in Years

"I'll praise Tanlac all my life for relieving me of that awful stomach trouble," said Mrs. Belle Salader, of 1005 East Third Ave., Mitchell, S. D. "Nobody knows how I suffered for five years. I ate hardly enough to keep me alive, as I dreaded the agony I was sure to suffer if I ate a substantial meal. I nearly always had a burning, gnawing feeling in the pit of my stomach, and I was simply desperate because I could get nothing to relieve me."

"I was so weak and worn out I had to lie down for awhile every day, but even then I was so nervous I got little rest. I don't believe anybody was ever more miserable than I was and I was also down-hearted and discouraged because, in spite of all the money I spent for medicines and treatment, I got no relief."

"It was a lucky day for me when I started on Tanlac, for it soon made me feel like a different person. I eat anything I want now and my digestion is perfect. I sleep better and feel better than I have in years. Tanlac proved to be just what I needed for so long. It certainly was a great blessing to me."

Tanlac is sold in Bismarck by Jos. Brelow, in Dickinson by N. D. and J. H. Barrette, in Wing by H. P. Homan, in Strasburg by Strasburg Drug Co., in Stratton & Earl, Regan. Advt.

# MANDAN NEWS

## SWEET CLOVER ADVANCE AGENT VISITS MANDAN

Syvett Williamson, Representing Growers Association, Pays Morton Co. Visit.

### A SURE YIELDER

Legume Supplies Crying Need for Abundant Pasture and Forage Crop.

Syvett Williamson, "advance agent" for the North Dakota Sweet Clover association, visited Mandan yesterday afternoon. He is on the north branch this afternoon.

Mr. Williamson is traveling over the entire state spreading the gospel of sweet clover, a plant which he believes and which many prominent farmers and expert agriculturists also believe, will prove an exceedingly valuable crop to Western North Dakota.

"Farming must be made safe in North Dakota or her farmers will be deserted," says Mr. Williamson. "The small grain farmer has been taking too many chances. It is high time that something be done to remedy the situation."

"Now comes the great discovery for North Dakota that sweet clover will grow in any section of the state and wherever grown proves a sure yielder. It supplies the crying need for an abundant pasture and forage crop. Being a true legume it restores fertility. It fixes nitrogen in the soil which it has extracted from the air. Its great root system builds humus and acts as a subsoiler, thus setting free imprisoned fertility. It is the crop that will make diversified farming possible in North Dakota. It is the crop that will make stock-raising a success in North Dakota."

### Special Meeting Tonight.

A special meeting will be held tonight at the Cour de Lion Commandery. Work in the Temple degree will be conferred. The Knights Templars will hold their Easter services at the Episcopal church Sunday evening.

### Glad to Get Back.

A. P. Gray, who returned yesterday from California, expresses himself as glad to get back to North Dakota.

### Goed to Brainerd.

William Kasson, who has been sick for several days, has left for Brainerd to enter the Northern Pacific hospital. Mrs. Kasson is with him.

## LANSING TELLS "INSIDE STORY" OF PEACE DEAL

(Continued from Page 1)  
program. He asked the American legal advisers to prepare a "skeleton treaty," but was told emphatically by the president that the latter did not intend to have lawyers draft the treaty of peace.

Mr. Lansing's idea was to secure adoption of a resolution declaring the purposes and nature of the League of Nations, providing for later negotiation of a detailed plan, and in the meantime to make peace at the earliest possible moment. This he thought could be done by April 1, 1919. Delay of peace for the purpose of completing the League he considered an unwarranted risk. The president, however, thought otherwise and Mr. Lansing found it possible to infer that the president was disposed to employ the world desire for peace as a means to compel other governments to accept his plan for a League.

### Louder With Dynamite.

Self-determination was a phrase of the president's that Mr. Lansing considered loaded with dynamite; bound to cause impossible demands, and to stir up trouble in many countries. This principle, he says, was discredited when Germany was refused permission to join with Austria, and it was ignored in the president's policy toward Russia. That the proposed defensive treaty with France was bad; that it would certainly be rejected by the American senate, and that it discredited Article X, which Mr. Wilson considered vital to the treaty, was the opinion of Mr. Lansing during the Peace Conference. He indicates his belief that Clemenceau insisted on the defensive treaty as a price of support of the League.

Secretary Lansing finds the mandate system of administering conquered territories a selfish device benefiting material interests of the mandate holding powers under cover of apparent altruism. It was sought to take advantage of the selfishness of the American people to impose burdensome mandates on the United States while giving profitable ones to European Powers.

**SWEAR OFF TOBACCO**

"No-To-Bac" has helped thousands to break the costly, nerve-shattering tobacco habit. Whenever you have a longing for a cigarette, cigar, pipe, or for a chew, just place a harmless No-To-Bac tablet in your mouth instead, to help relieve that awful desire. Shortly the habit may be completely broken, and you are better off mentally, physically, financially. It's so easy, so simple. Get a box of No-To-Bac and if it doesn't release you from all craving for tobacco in any form, your druggist will refund your money without question.

## HESS ELECTED PRESIDENT OF MANDAN CLUB

First National Bank Officer Selected as Head of Commercial Club.

Jos. P. Hess, of the First National bank, was elected president Wednesday night at the meeting of the board of directors of the Mandan Commercial club. Mr. Hess is an aggressive booster and is well-known throughout the Slope country.

Louis H. Connolly, state's attorney of Morton county, was elected vice president, and George Wilson was re-elected treasurer.

Thomas H. Sullivan, who has become one of the leading commercial club secretaries of the state since he took hold of the club about a year ago, was re-elected secretary.

## MANDAN CHOSEN BY 'PHONE MEN

Mandan was chosen as the place for the 1922 convention of the North Dakota Telephone association, at the closing of the convention in Fargo last evening. The Mandan bid to come and enjoy "the hospitality of a western city" proved a winner. All officers of the association were re-elected.

**Almont Couple Married.**  
Wilber C. Schard and Miss Kate Wohlman of Almont, were married yesterday afternoon by County Judge Shaw.

**Miss Williams Arrives.**  
Miss Helen Williams has arrived from Grand Forks to spend Easter at home.

**Get Many Members.**  
The Good Roads boosters have secured over 100 members in Mandan for the state association.

**Return From Hot Springs.**  
Mr. and Mrs. H. L. Henke have returned from Chico Hot Springs, Mont., where they have been for about two weeks.

**Leaves For Treatment.**  
Miss Ruth Ritchey left yesterday for Glendive, where she will enter the Northern Pacific hospital.

**Manuier Transferred.**  
A. J. Nelson, manager of the Western Union office, has been transferred to Eveleth, Minn. His place will be taken temporarily by R. J. Hayes of Minneapolis.

Mr. Lansing opposed the mandate system in talking with Colonel House, but never knew whether his objections were conveyed to the president. In connection with other problems his communications sent directly to the president were never acknowledged, according to Mr. Lansing, who found Mr. Wilson intolerant of suggestions; irritated by opposition, and seemingly suspicious of the secretary's views after November 12, 1918, when Mr. Lansing incurred his displeasure by urging him not to go to Paris personally.

Mr. Lansing discusses the testimony of William C. Bullitt before the Senate Foreign Relations Committee. Mr. Bullitt quoted Mr. Lansing as saying that the American people understood what the treaty let them in for they would defeat it. Mr. Bullitt entirely changed the meaning of what had been said to him in Paris. Mr. Lansing declares. The president at this time was campaigning for the League of Nations in the west and Mr. Lansing telegraphed to him, offering to explain the interview with Bullitt, but, he says, the president never answered his telegram.

Because of the pressing need of peace, Secretary Lansing, despite his differences with Mr. Wilson, continued to favor ratification of the treaty and covenant without reservations. This he did as long as there was a chance to secure an early peace by this method.

The first steam engine is credited to Hero of Alexandria who, lived about a century before Christ.

"They WORK while you sleep"

Don't stay bilious or constipated, with your head dull, your stomach sour, gassy, upset. Take one or two Cascarets tonight sure for your liver and bowels and wake up clear and fit. Children love Cascarets too. No gripping—no inconvenience. 10, 25, 50.

## SCHOOL HONOR ROLL INCLUDES LARGE NUMBER

All Class Rooms Are Represented in Mention for Good Work

### NAMES OF PUPILS GIVEN

The honor roll of the Bismarck city schools for the period ending March 4, announced today by Superintendent Martin, includes pupils from every class in the city. The list follows:

**WILLIAM MOORE SCHOOL**  
8 A—Hazel Tibbitts, Teacher.  
Dorothy Birdzell  
Thillie Peterson  
7 A—Eather Maxwell, teacher.

Mary Hassel  
Lucille Prater  
7 B—Clara Kuzel, teacher

## EMMONS CO. STIRRED OVER FIST FIGHT

Shuck Said to Have Secured Warrant from Attorney General for Fisher's Arrest.

Linton, March 25.—Emmons county is much aroused over the report that E. A. Shuck, living East of Linton and a director in the Consumers United Stores company, has secured a warrant direct from the attorney general's office for the arrest of Joe Fisher, ex-service man and associated with his father in the First State Bank of Strassburg. The warrant charges assault and battery.

The affair, it is alleged, developed as follows: While E. A. Fisher was away notes which the bank had as security for loans to the Stores company were at Mr. Shuck's request given to him for collection. When Mr. Fisher returned he insisted on having Shuck return the notes, which it is alleged, he refused to do, striking Mr. Fisher during the altercation. Then, it is said, Joe Fisher stepped in and administered some severe blows.

The complaint alleges that he had four teeth knocked out, that his face and his head was cut and bruised. The report is also current that he will institute a damage suit for \$10,000 against the Fishers.

## RETURN FROM CALIFORNIA

C. B. Little of the First National bank, and E. A. Hughes of the Hughes Electric company, returned today from a trip to California.

Both were pleased to get back to North Dakota, although they had a pleasant trip to the Sunshine state.

**SHOT WITH A HAIRPIN.**  
Memphis, Tenn., March 25.—John Brown, negro, was shot to death with a hairpin. Physicians found the hairpin after the bullet was removed.

## CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

## All Mothers Will Find Use For This Laxative

Give Dr. Caldwell's Syrup Pepsin to a constipated child and note its quick recovery.

IN a growing family the subject of thought with the parents is how to keep the children healthy and happy, and what to do when they become ill. Most illnesses of childhood are the symptoms of constipation, such as headaches, coated tongues, flatulence, dizziness, loss of appetite and sleep, biliousness, etc.

You can surely feel safe in doing what tens of thousands of others do with good results, so give, according to the age of the child, a small quantity of Dr. Caldwell's Syrup Pepsin. Eight million bottles were bought last year at drug stores. It is America's favorite family remedy for constipation, indigestion and similar ills, and is especially suitable for children, women and old folks as it is so mild and gentle in action.

There is no secret about Dr. Caldwell's Syrup Pepsin. It is a combination of Egyptian Senna and other simple laxative herbs with pepsin and pleasant tasting aromatics. Druggists have sold it for thirty years, and a sixty cent bottle will last for months. Experienced mothers are never without it in the house.

### TRY IT FREE

Send me your name and address and I will send you a free trial bottle of my Syrup Pepsin. Address me Dr. W. B. Caldwell, 513 Washington Street, Monticello, Illinois. Enclose body now and then needs a laxative, and it is well to know the best. Write me today.

They believe the pin was lodged in the barrel of the revolver at the time the shot was fired.

More typewriters are in use in the United States than in the rest of the world.

## The Treatment for Seed Wheat

### Cleaning and Grading

After you are sure that you have the very best seed wheat available, it will pay you to clean it and grade it two or more times by running it through a good fanning mill. Uniformity of seed is of great importance. Extra large or giant kernels are not always the best, especially when mixed with ordinary kernels. You can tell by the general appearance of the seed whether or not it has been attacked by rust, smut, or other disease.

Be careful to fan out all shriveled kernels and kernels with discolored tips. Examine to see that you have no great amount of yellow berry but dark colored kernels. A little work on a rainy afternoon, will give wonderful results in the intelligent use of the fanning mill. You can hitch up your gas engine and do the work easily.

### Treat Your Seed for Smut

The waste from smut is entirely preventable by the formaldehyde treatment. An increase of over four bushels per acre has been found in spring wheat in which only a little over one and one-half bushels were actually destroyed by smut. The increase, when it occurs, is probably chiefly due to the fact that the grain is affected by other seed-borne parasites than smut and which are as effectively checked as the smut. You can get full directions where you buy your formaldehyde.

### Test Seed Wheat for Germination

It is a serious risk to sow any grain without first testing it for germination in wet blotting papers.

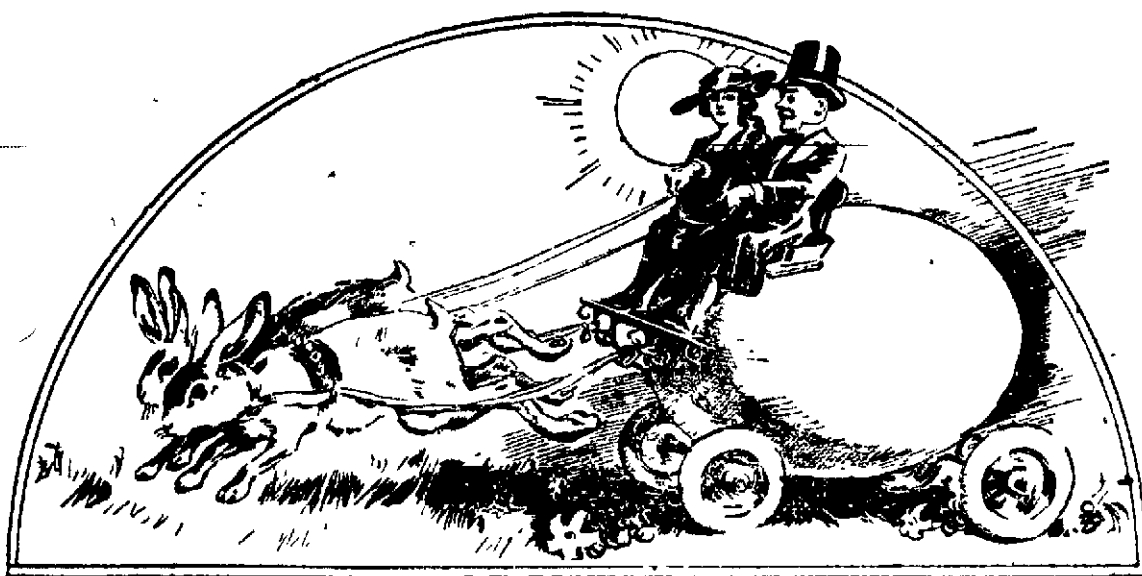

All of the pupils in our rural schools know how to do this. Count one hundred seeds just as they come, into a blotting paper which has been moistened. Fold over like a book, wrap in oil paper or cloth, insert a strip of rag about one inch wide by ten inches long exactly like a lamp wick. Wet the whole test and then place so that the wick hangs in a glass of water, keeping the whole thing damp for several days. Open after the fifth or sixth day and count the strong, weak and dead kernels. This will give you the percentage of germination. If you want to see how strong the grain is, turn the test inside out without disturbing it and the kernels will grow into green shoots. They ought to grow three or four inches tall before beginning to bend over. It is very important that you should know the vitality of your seed. Sowing more seed when poor is not the way to do it.

If your test is below 93 or 94 per cent, you had better change seed.

Good Marquis seed wheat is available in almost any quantity.

### If You Need Seed, Advise Us

Spring wheat varieties are becoming badly mixed. If you have any doubts about your seed, you had better send a sample to your agricultural college for judging, or send for list of seedmen or growers who have the Marquis seed of superior quality. Fine, clean, heavy wheat always brings a premium. Quality is always most profitable.

## GOOD FRIDAY IS OBSERVED IN THE CITY

Memorial Day of the Christian World Brings Unusual Solemnity.

(BY REV. H. C. POSTLETHWAITE)

Good Friday, the Memorial Day of the Christian world, is being observed today with more than usual solemnity.

Devotions of Passion week, which will close on the eve of Easter Sunday, have taken the marked attention of Christianity in a way not noted before the World War. Are we not brought back to basic things with more seriousness than of old? Is not the message of The Great Sacrifice commemorated today finding more ready response in the troubled hearts of the people than in the days of lesser experience and trial? So it would seem from the reaction toward Holy week in communities.

At three o'clock today people in all kinds of occupations laid down their labors for a brief hour of silent devotion, commemoration the hour on Calvary when the Prince of Peace gave his life on the cross for the redemption of mankind.

Services are held in the churches of

the city this afternoon and this evening.

### AT METHODIST CHURCH

Holy Week observance at the Methodist Episcopal church will be concluded tonight by a Good Friday service. The preaching of Dr. Harris is receiving many favorable comments because of its force, eloquence and helpfulness. It makes a great appeal to people who are thoughtful. Tonight he will speak on the "Meaning of the Cross for Today." Service opens at 7:30 with praise and prayer. These services are for the nurture of the spirit life. All the members and friends of McCabe are urged to avail themselves of the privilege afforded. Strangers in the city especially invited.

### LORD'S SUPPER OBSERVED

At 7:30 this evening the Lord's Supper will be observed in the First Presbyterian Church. Every member of the church should make an effort to be present while all others will find enjoyment and profit in this beautiful service. The morning quartette will furnish the music and Messrs. Halverson and Humphreys will sing the beautiful Oratorio "The Crucifixion" by Stainer.

### AT ST. MARY'S

On Good Friday morning at 8:15 the Mass of the Pre-sanctified was celebrated by Bishop Whelan. During the service will take place the unveiling of the cross at 7:30 in the evening. Tenebrae will be sung. On Holy Saturday services will be held at 7:30 in the morning. The mass will be the coronation of blessing of the elements, fire and water, and

the blessing of the Easter candle and the singing of the Exultet. Pontifical high mass will be celebrated at 9 o'clock.

Masses today and Saturday will be sung by the children's choir under the direction of Father Sias. Confessional hours from 8 to 8:30 afternoon and from 7:30 in the evening on Saturday.

### AMERICAN COMPOSERS STUDIO

The Thursday Musical club had as their topic of study yesterday two of our American women composers, Mrs. Amy March (Cheney) Beach, and Margaret Ruthven Lang.

Mrs. C. W. McGraw read a paper on the life and works of Mrs. Beach, telling of the American training of the New Hampshire girl, begun under the instruction of a musical mother, and continued up to the present time, showing truly splendid work on the part of the favorite composer. Mrs. John Graham sang Browning's "The Years at the Spring" set to music by Mrs. Beach and for which the composer was made an honorary member of the Boston Browning club. Mrs. Graham sang as a second number, "Ah Love, But a Day" Miss Woodlands, playing her own accompaniment, sang Stokke's "Bring Back the Golden Days." Two delightful piano numbers were rendered, Mrs. Genevieve Menard Hughes playing "Lotus Land," by Cyril Scott, and Miss Ruth Quigley followed with "Arabesque by Chaminade." Mrs. Robert Morris sang "Mavourneen," with music by the Boston composer, Margaret Ruthven Lang.

The day's program was under the direction of Mrs. Arthur Bauer who took the place of Mrs. Arnot, now recovering from illness.

**PRESBYTERIAN AID SALE**  
Aprons and handmade articles by the Presbyterian Aid will be on sale at the Perry Furniture company Saturday afternoon beginning 2:30 P. M. advt.

**THE STATE'S OLDEST NEWSPAPER**  
(Established 1873)

**CARDINAL GIBBONS**

The great sphere of influence of Cardinal Gibbons whose death occurred yesterday, was not bounded by the wide scope of his ecclesiastical authority. An active participant in public discussion upon all questions affecting the welfare of America and of the world his messages were received with attentive respect by the American people at large and his counsel was sought by leaders of the nation.

As a primate of the Catholic church Cardinal Gibbons wielded great influence. He was the confidant of three Popes and it is recorded that when, in 1918, he explained Pope Benedict's war policy the Pope was so pleased with his masterly presentation that the article was ordered translated and spread abroad. A friend of Theodore Roosevelt and enjoying the respect of president Wilson, Cardinal Gibbons' influence upon the direction of affairs of the nation doubtless was felt in many ways.

Two of the great churchmen of the world of the present day are Cardinal Mercier, the heroic primate of Belgium and Cardinal Gibbons. In the death of Cardinal Gibbons the Nation at large suffers the loss of a foremost citizen.

**THOSE LOANS TO EUROPE**

Again more talk about canceling the loans that Uncle Sam made to Europe and starting with a clean slate. Many idealists think this would be a simple matter of writing off a loss.

To make these loans, the government sold Liberty Bonds. But that doesn't end the transaction. The Liberty Bonds have to be paid for again—retired—when they mature.

If Europe pays, part of the bonds will be cared for.

If Europe doesn't pay, then Americans must get busy earn the money and pay it in taxes to retire the Liberties.

Which?

**DRIVING YOUNG FOLKS AWAY**

Rural communities long have been worrying over a problem peculiarly their own: Why do our young people leave the home town?

One of the answers is contained in a news dispatch from Scotts Bluff, Neb.

**EXPECT HARDING RUSSIAN VIEWS TO BE STATED**

Washington, March, 25.—Some statement with regard to the Russian question may be made today either at the White House or at the state department. It is understood that this was agreed upon at the regular Friday cabinet meeting at which the appeal of the Soviet government for resumption of trade relations with Russia was discussed at length.

**FLOUR DROPS TO LOW MARK**

Tacoma, Wash., March 25.—Flour today reached the lowest point since 1917, millers announced, announcing a decrease of 40 cents barrel in family patent grade. The drop makes the price \$9.20 a barrel.

**GEESSE FLY NORTH**

Fargo, N. D., March 25.—Great flocks of geese were flying north over Fargo today.

**STOMACH O. K.**

Indigestion, Acidity, Sourness and Gases ended with "Pape's Diapiesin"

Millions of people know that it is needless to be bothered with indigestion, dyspepsia or a disordered stomach. A few tablets of Pape's Diapiesin neutralize acidity and give relief at once.

When your meals don't fit and you feel uncomfortable when you belch gases, acids, or raise sour, undigested food. When you feel lumps of indigestion, pain, heartburn or headache, from acidity, just eat a tablet of Pape's Diapiesin and the stomach distress is done.

The cost is so little. The benefits so great. You, too, will be a Diapiesin enthusiast afterwards.

There the town council passed an ordinance banning all forms of dancing and motion pictures. It went a step farther, forbidding those under 21 from being away from home after 8 p. m.

Scotts Bluff couldn't have conceived of a better way to drive its young and spirited boys and girls into larger cities.

Do you happen to know a young person who would want to live in a town like Scotts Bluff? When you were under 21 would you have liked living under the dreary shadow of such anti-joy laws?

And yet, Scotts Bluff fathers and mothers this very day are wondering why it is that their sons and daughters look with desire at railroad trains to the outside world.

**WOULD YOU MARRY AT 84?**

A smiling old man, nearing his 85th birthday, has just been married. He is George W. Adams of Dorchester, Mass. His bride is Elizabeth A. Wood, 59, who has been his housekeeper for several years.

Adams probably is the oldest bridegroom of this generation. Study his picture and you will comment that he also is one of the most smiling and best looking.

Some may marvel at his courage in embarking on the sea of matrimony at such advanced years. Surely it is a good omen that his name is strangely similar to that of the world's first husband—Adam.

In the matter of physical ability to earn a living for a wife, Adams can put many youngsters of 50 or even 25 to shame.

He is a giant in build, six feet one inch tall. Originally a railroad engineer, he claims that he is still energetic enough to fire a locomotive on a long run.

"I can get out in the back lot with the rest of the kids and bat a baseball," says Adams. "I can touch my toes with my fingertips, without bending my knees. I don't need an alarm clock to wake me up in the morning and I don't have to go to bed at nine at night. I like to watch boxing matches. Fact is, I've reckoned everything up and I'm as good a man, mentally and physically, as a youngster of 25."

The matrimonial venture indicates that love, like hope, springs eternal in the human breast.

It is a beautiful tribute to marriage as an institution, that both have been married before, the bride is a grandmother of three children.

She says: "A husband needs to be a man of unflinching courage, a man of worldly experience, a man who is a man all the way through and loves his home and his wife. I think I have found him. Anybody else can think what they want."

Will this marriage be successful?

One of every nine weddings is terminated in divorce court, according to the Bureau of Census, but Adams has in his favor the benevolent law that governs exceptional cases.

Moreover, according to Sir George Lewis, the fashionable divorce lawyer of London, the danger point in wedlock is not reached until the tenth year. By that time, Adams will be 95, at which advanced age very few things matter.

If that, c. of l. keeps on dropping we may find the five-cent piece of use again in shopping expeditions.

**PANAMA HEAD CALLS CONGRESS**

Washington, March 25.—President Porras, of Panama, has called a special session of Congress for next Monday to consider Panama's attitude toward the demand made by the American government that Panama accept as final the "White award," as to the boundary between that country and Costa Rica.

**CHICAGO MAN TO INDIAN POST**

Washington, March 25.—J. G. White of Chicago, it was reported today, will be recommended by Sec. Hall of the Interior department for appointment as Indian commissioner. He has been in the government service for many years and recently has had charge of the Osage Indians property.

**STARK ROADS BEING DRAGGED**

Dickinson, N. D., March 25.—The county commissioner of highways is making plans to put all of the Stark county roads in good condition immediately.

Arrangements have been made for the securing from the state of a caterpillar tractor for use in dragging the roads.

March scoria will be used for surfacing.

**Bad Luck and the Devil Tormented Him**

I don't think I ever had more bad luck and sickness than I have in 1905. I had two abscesses in my arm and collar bone broken in a railroad accident. Then I had pneumonia. After recovering I crossed a pasture when a bull chased me, tossed me over the fence and broke my right leg. In 1910 I had typhoid fever; since then severe stomach and liver trouble, which no medicine or doctor touched until two years ago I got a bottle of Mav's Wonderful Remedy, which proved the first ray of light in thirteen years. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

**ACQUIT NESLEY**

Minot, N. D., March 25.—James Nesley, charged with selling cocaine, was acquitted by a jury in the district court before John C. Lowe yesterday.

The Smith family number about 14,000,000 members throughout the world.

**ONCE UPON A TIME**

Once upon a time a man was dashing toward the sea to commit suicide. The wind blew off his hat and he turned back after it. By the time he'd recovered it he had changed his mind and decided to live.

A man hates to lose a hat like the Gordon—it has a likable personality.

The Gordon is a mellow hat—it has a rich look that you'll appreciate.

facing the roads. This burnt clay from the Bad Lands has been found to be very satisfactory as permanent road-building material.

**INDIANS TO PRESS CLAIMS**

Fort Totten, N. D., March 25.—Eleven claims against the United States government will be pressed by Indians of the Rosebud, Shoshone and Standing Rock Indian reservations, according to a report delivered here by Benjamin White, delegate to Washington from the Standing Rock reservation.

The main claims involve ownership of land in the Black Hills, the Indians attacking the validity and binding force of old treaties. A pony claim has been added to 10 old claims which have been pending for some time.

**HELD UP HIS OWN BROTHER**

Cavalier, N. D., March 25.—How he held up his own brother and a man named James Cox at the point of a gun, and took from them 19 cases of whisky, is told by William Martineau, Walhalla farmer, in a written confession, after he had pleaded guilty to charges of bootlegging and manufacturing whisky. Martineau is now in the Cavalier county jail awaiting sentence.

**MISSIONS MUST EMPLOY YANKS**

Washington, Mar. 25.—Heads of all diplomatic missions have been ordered to get rid of all non-American attaches by July 1.

**TAKE DOWN "NO VISITORS" SIGN**

Washington, Mar. 25.—The sign "No visitors allowed" was removed from the state, war and navy buildings, where it had been since war with Germany was declared.

**PROTEST RUSS TRADING PACT**

Washington, Mar. 25.—The National Civic Federation and the American Defense Society filed protest with Secretary Hughes against resumption of trade with Russia.

**CITY TIES UP FUNDS**

Devils Lake, N. D., March 25.—The city of Devils Lake has garnished funds of the Bank of North Dakota in banks in Ramsey county to protect about \$10,000 which the city has on deposit with the state bank. The Bank of North Dakota has been registering the city's checks.

**WEATHER REPORT**

**GRANDMOTHER KNEW**

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

35c and 65c jars; hospital size \$3.00

## AIR PILOT ON RECORD FLIGHT BADLY INJURED

Lieut. Coney May Die From  
Injuries Received When  
Plane is Wrecked.

Monroe, La., March 25.—Lieut. W. D. Coney, Army air service, crashed near Crowley, La., at 7:30 a. m. today while attempting a return flight from Jacksonville, Fla., to San Diego, Cal.

According to reports here, Lieut. Coney received injuries which may prove fatal. His plane was wrecked. Coney's back is believed to have been broken, but he was reported still conscious at noon today. He is now at the farm of Mosa Lantier, upon whose premises he fell.

The airplane struck a tree while Lieut. Coney was attempting a landing, after engine trouble had developed. The plane fell about 75 feet. Lieut. Coney was flying over a swamp wilderness in northeast Louisiana when the engine began to misfire.

## FAMINE TAKES TERRIBLE TOLL THROUGH CHINA

Relief Headquarters Reports  
Hunan Province Deaths  
1,300 a Day.

Peking, China, Mar. 25.—(By the Associated Press.)—Famine which holds the provinces of Hunan, Szechuan and Chihli in its sinister grip is reaping a dreadful harvest, according to reports to the headquarters of the International Relief organization in this city. In 22 counties of Hunan the average daily death rate on March 15 was 1,000, while death from famine in the six northern counties of the province average 500 daily.

## WOOL IMPORTS HELD MENACE BY ASSOCIATION

Boston, March 25.—The executive committee of the Boston Wool Trade association in letters to President Harding, all United States Senators and Massachusetts Congressmen today called "careful attention to the enormous importations of raw wool and wool tops since January 1, caused by anticipation of wool duties."

Auburn, N. Y., March 25.—Reductions in wages ranging from 10 to 20 percent have been accepted by the 2,000 employees of the International Harvester Company here, it was announced today.

Cleveland, March 25.—Wage reductions averaging 8 cents an hour for workers paid by the hour and 15 percent for piece workers effective next Monday were announced by meat packing houses here today. This places local wages on a par with those in Chicago and the West.

## WILSON SUFFERS SUDDEN ATTACK

Washington, March 25.—Former President Wilson suffered an acute attack of indigestion today which caused hurried call for medical assistance. It was said, however, that he had entirely recovered an hour after the attack.

## ASPIRIN

Name "Bayer" on Genuine

Take Aspirin only as told in each package of genuine Bayer Tablets of Aspirin. Then you will be following the directions and dosage worked out by physicians during 21 years, and proved safe by millions. Take no chances with substitutes. If you see the Bayer Cross on tablets, you can take them without fear for Colds, Headache, Neuralgia, Rheumatism, Barache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve tablets cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Mononitrophenol of Salicylic Acid.

## KILL RATS TODAY

The guaranteed "killer" for Rats, Mice, Cockroaches, Ants and Waterbugs—the greatest known carriers of disease. They destroy both food and property. Stearns' Electric Paste forces these pests to turn from the building for water and fresh air.

READY FOR USE—BETTER THAN TRAPS  
Directions in 16 languages in every box.  
Two sizes, 50c and \$1.25. Enough to kill 50 to 400 rats.  
U. S. Government says it.

## ENTENTE POLICY ON GERMANY IS NOT AGREED ON

Paris, Mar. 25.—By the Associated Press—Consideration of the entente

policy toward Germany in view of her refusal to pay by May 1 the twelve billion marks gold demanded by the reparations committee as the balance of her 20 million marks obligations under the peace treaty will be postponed for a few days. It developed today.
